YOU—Who Have Something to Sell.

Did you ever stop to think that before you can sell anything you must first find a prospective purchaser WITH MONEY?

A prospective purchaser without money-cannot buy from you. He may inquire about your offer, but you will not make a deal with him unless he can "produce the coin."

The Washington Herald reaches the best element of all classes of people in the City of Washington. It is read by reliable working people, by the great "middle class" and in aristocratic and wealthy circles.

The ads on this page produce actual results in securing efficient employes and in causing real estate sales.
